	)	
Defendants.	)	

**ORDER ADOPTING REPORT AND RECOMMENDATION**

Magistrate Judge Doris L. Pryor's Report and Recommendation, dkt. 42, recommends that Plaintiff's motion for preliminary injunction be denied because the requested relief should be pursued through discovery rather than through the extraordinary remedy of a preliminary injunction. No party has objected to the Magistrate Judge's Report and Recommendation and the time to do so has expired. See dkt. 42 at 2.

The Court APPROVES and ADOPTS Magistrate Judge Pryor's Report and Recommendation, dkt. [42]. Plaintiff's motion for preliminary injunction, dkt. [31], is DENIED.

**SO ORDERED.**

Date: 1/17/2019
